Summary of Employment activity :

As a Costco employee, my role goes beyond assisting members, it is also about supporting sustainability. This includes properly handling waste, such as keeping food waste separate, with some retrievable items set aside for food bank donations or Kamloops Wildlife park and making sure RTV items are handled correctly. Picking up trash like flyers and sample cups and ensuring recyclables are properly disposed of are important part of the job. These actions ultimately helps reduce landfill waste and supports Costco’s sustainability goals.
